Dear Dawn,

RE: The Ultimate Bermuda Experience

I write to thank you.

We are most grateful for you helping us with The Ultimate Bermuda Experience. The winners of The Ultimate Bermuda Experience were utterly thrilled with the aqua adventure at Tucker's Point. A number were struck with your most gracious kind deportment. Referring to the segment one remarked "absolutely unbelievably wonderful"!

I am delighted to have partnered with you on this event and look forward to working with you in the future.

You have our heart felt gratitude.

Extending warm regards, I remain,

Sincerely
